

Memorandum

Date: September 4, 2013

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

Agenda Item No. 8(L)(1)

From: Carlos A. Gimenez
Mayor

Subject: Recommendation for Approval of the Use of Charter County Transportation Surtax Funds for a Contract Entitled Plant Material and Tree Services, Pre-qualification of Vendors (Contract Number 1298-1/21), for Landscaping Services for Projects Funded Under the People's Transportation Plan

Recommendation

It is recommended that the Board of County Commissioners (BCC) approve the use of Charter County Transportation Surtax (Surtax) Funds for a contract entitled Plant Material and Tree Services, Pre-qualification of Vendors (Contract Number 1298-1/21) for landscaping services for projects funded under the People's Transportation Plan (PTP).

Scope

The work to be performed includes landscape installations at various locations within Miami-Dade County.

Fiscal Impact/Funding Source

The cost of services will be charged to the particular PTP funded project or activity requiring these services, and will come from the Public Works and Waste Management Department (PWWM) and the Parks, Recreation, and Open Spaces Department (PROS) allocations. The fiscal impact to the Surtax will not exceed \$1.5 million over the contract's term period.

Track Record/Monitor

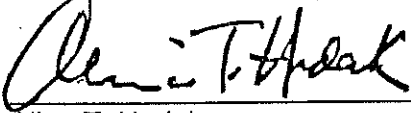

The person responsible for all PTP projects for PWWM is PTP Coordinator, Mr. Alejandro Martinez-Esteve, RA, LEED AP. The use of this contract for PWWM projects funded under the PTP will be administered by David Cardenas, Chief, PROS, Right-of-Way Aesthetic and Assets Management Division (RAAM).

Background

The contract entitled Plant Material and Tree Services, Pre-qualification of Vendors (Contract Number 1298-1/21) was approved by the BCC on February 7, 2012, through Resolution No. R-131-12 (attached). PWWM has found that there are benefits to the utilization of contracts administered by RAAM for landscape installations within roadway improvement projects. The use of RAAM's contracts and expertise allows for cost savings when compared to the work being sub-contracted through PWWM's roadway improvement contracts. Consistent with Florida Statute 212.055 and Sections 29-124 and 2-1421 of the Miami-Dade County Code, Surtax funds will only be used for plant material and tree services which are part of road or bridge projects and included in the Five Year PTP Implementation Plan. Surtax funding may not be used for such services within parks.

Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners
Page No. 2

PWWM will coordinate the services provided by this contract with RAAM for work within the public right-of-way on PTP funded projects.
